

SAIL IT, LIVE IT, LOVE IT,

WELCOMES
YOU TO.....

Where the fleet comes together.

The boats are rigged. The fleet has arrived. The week you've been building toward is finally here. Before the start and the competition sharpens, we come together — on the deck, overlooking the bay — to share that unmistakable RS Aero feeling.

This is more than a welcome drink.
It's the moment Nationals week truly begins.

As the sun sets over Port Phillip Bay, sailors, partners and supporters gather at **Blairgowrie Yacht Squadron** to connect, unwind and soak up the atmosphere that makes the RS Aero class so special. You'll feel it the moment you arrive — the energy, the camaraderie, the shared love of fast boats and fierce but friendly racing.

Sail it on the water.

Live it with the fleet.

Love every moment of what's to come.

If you're racing this week, this is where it starts.
