The screenshot shows the Australian Sailing website's login interface. At the top, there is a dark blue header with the Australian Sailing logo on the left and navigation links (NEWS, ABOUT, INFORMATION & SERVICES, COMMUNITY, EVENTS, CONTACT) in the center. On the right side of the header, there are social media icons, a search bar labeled 'Find my AS Number', a shopping cart icon with '0', and a 'Member Login' button. Below the header, the main content area is divided into two sections. On the left, there is a 'Log in' section with a 'Username' field (containing 'Your username'), a 'Password' field (containing 'Your password' and a red error message 'This field is required.'), and a 'Log in' button. Below the button is a link 'Forgot login details?'. On the right, there is a section titled 'Login to your Australian Sailing Profile' which lists the benefits of having a profile: 'Basic details - name, DOB, gender', 'Contact details - email, mobile number', 'Membership history', 'Course history', 'Qualification history', and 'Invoices - course fees, instructor renewal fees, event registration fee'. At the bottom of this section is a button that says 'For more information and troubleshooting, click here'. Two red arrows are overlaid on the image: one points from the 'Log in' button in the left section to the 'Log in' text, and the other points from the 'Member Login' button in the top header to the 'Log in' text.
